WHO PARTICIPATES?

GROUP SECRETARIES

The survey data will be used to better understand the 12-Step needs of our area's groups, and to update General Service Office in New York's group information database.

INDIVIDUAL MEMBERS

The data from this survey will be used by the area to better understand the specific demographic characteristics of the groups in the San Diego-Imperial area.

WHY PARTICIPATE ?

HELP GSO BETTER SERVE THE GROUPS

Survey data will

- Make sure groups are listed with GSO and Area, rather than only with the local central office if they choose. This allows the group to become available to receive information on what is happening with AA as a whole and invite the group's participation.*
- Offer solutions to the problems being encountered by others groups — and vice versa*

HELP THE AREA BETTER SERVE THE FELLOWSHIP

Information from the survey will ensure

- Funds are utilized to maximum potential for 12th step work.*
- Programs and workshops will be more suited to our membership*
- A more focused effort can be made to help the suffering alcoholics not already represented in our rooms*
