7TH TRADITION – BEING FULLY SELF-SUPPORTING THROUGH OUR OWN CONTRIBUTIONS

“Our Twelfth Step-carrying the message-is the basic service that the A.A. Fellowship gives; this is our principal aim and the main reason for our existence. Therefore, A.A. is more than a set of principles; it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven’t been given the truth may die.” Bill W.

YOUR CONTRIBUTIONS HELP CARRY THE MESSAGE.

Contributions to Central Office are used to support phone service for twelfth step call, coordination of group activities and A.A. literature sales. Contributions to GSO (General Service Office) support group services in North America and help carry the message worldwide. Contributions to the Area Assembly and District ease the job of GSO and put your contribution to work locally to foster communications and promote unity.

Our 7th tradition encourages us to be fully self-supporting through our own contributions, at all levels. Below are a few suggestions for dividing the balance of your group’s funds after the basic expenses (rent, literature, coffee, reserves, etc.) are covered. These are only suggestions and as always in our fellowship, the group conscience should decide what is best for your group.
